

# Makey Makey

Difficulty Rating: Easy

## Overview:

Make game controllers, musical instruments, and countless inventions. Turn everyday objects like bananas into touchpads! Connect the world around you to your computer!

Number of Students: 12-24 students working singularly or in pairs

Introductory Lesson/Setup (time: 30 minutes)

We recommend using the "First Time Set Up! Banana Piano!" from Makey Makey's website as your first lesson to familiarize students with Makey Makey. There are plenty of amazing follow up lessons on their website.
